West Shore Parks & Recreation Society has implemented our COVID-19 Safety Plan and will be applying our policies and procedures, but the risk remains that a COVID-19 outbreak could occur despite our efforts.

As the representative of a user group, you are required to read and confirm that you understand the protocols listed. You are required to circulate this information to the participants in the activity for which you are utilizing our facilities and ensure participants act in accordance with the COVID-19 safety protocols listed above.

Those not adhering to these protocols risk closure of the facility and will be asked to leave the premises. Rental Fees are non-refundable if asked to leave due to non-adherence with these protocols.

I have read, understand and agree to this addendum to the Facility Use Agreement.
